

Remarks

The examiner noted that each claim of the present application has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. Specifically, the examiner noted that claims 2-9, 15-21, 23, 25-27, and 29-31 marked as "previously presented" or "original" in the April 16, 2004 amendment should have been labeled "withdrawn".

As amended herein, claims 2-9, 15-21, 23, 25-27, and 29-31 have now been clearly labeled "withdrawn". As a result of these amendments, Applicant respectfully traverses the examiner's grounds for issuing the Notice of Non-Compliant Amendment. Applicant therefore respectfully requests examination of the application.

Respectfully submitted,

ERICH LUGSCHEIDER
